

1: Energy Detectives

NONE

2: May The Source Be With You

NONE

3: Energy Chains

NONE

4: What Powers the Move?

M:N&O:1 – Demonstrates understanding of rational numbers.

M:G&M:8 – Determines elapsed and accrued time.

M:DSP:3 – Organizes and displays data; identifies or describes elements of representations that best display a given set of data or situation.

5: In the Driver's Seat

M:N&O:4 – Accurately solves problems.

M:N&O:7 – Makes estimates.

M:DSP:3 – Organizes and displays data; identifies or describes elements of representations that best display a given set of data or situation.

M:CCR:3 – Students will recognize, explore, and develop mathematical connections.
(*See Appendix for grade-level specifics.*)

6: Energy Challenge Game

NONE
